*"Parents are constantly seeking ways to stimulate their young children and share memorable moments. I wanted to create a book that was a life-line, a one-stop resource for parents and baby-sitters from all the wonderful touchstone material my family enjoyed. Now considered a classic, put **THE LITTLE BIG BOOK FOR MOMS** near your child's bedside!"*

A magic wand for new mothers everywhere, **THE LITTLE BIG BOOK FOR MOMS Tenth Anniversary Edition** (\$24.95, May 2010, www.welcomebooks.com/moms) instantly provides in one silver gilt-edged book a **treasury of Fairy Tales, Nursery Rhymes, Songs, Games, and Activities** for Mom to enjoy with her children (and **Poems, Quotations, and Essays** to read on her own!).

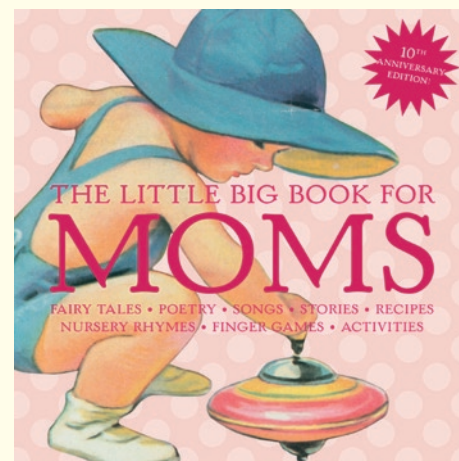

More than 440,000 families have cherished **THE LITTLE BIG BOOKS FOR MOMS** since it was first published in the spring of 2000, when the book received the Best Parenting Book of the Year award from the Independent Publishers Association. Now, in celebration of its 10th anniversary, the updated edition features new vintage art, a new introduction, and a fresh new cover. This charming and beloved collection is a modern resource with classic appeal.

It is the perfect book for every mom who doesn't want her little ones to miss out on the magic of "The Princess and the Pea" or the power of Maya Angelou's "Life Doesn't Frighten Me," who laughs aloud over Ogden Nash, and who adores "Charlotte's Web." With **THE LITTLE BIG BOOK FOR MOMS** in hand, Mom remembers the words to "Rub-a-Dub-Dub," plays Itsy Bitsy Spider, and makes yummy recipes like Frozen Chocolate Bananas. It is a book, in short, for every mother who wants to fill the lives of her children with magic, wonder, and fun. And, once everyone is tucked into bed, there are special essays just for Mom from writers like Anne Lamott, Susan Cheever, and Amy Herrick.
